Memorandum for Mr. Becker

Subject: Title and Cover Page for Project [REDACTED] 25X1A2g

1. I have arranged that the material will be bound in black leatherette, with gold lettering. This will correspond with the NSC Policies book. The progress reports will be done differently, in the tight binder style used for NSC 135 reports. I tried to get a different color from the Policies book, but there was none in stock.

2. I attach a proposed format for the cover page. I have <sup>given</sup> several alternate titles. My favorite is "NATIONAL INTELLIGENCE REVIEW." It is sufficiently different from any other present title, national intelligence is CIA's production responsibility, and we expect to review the book periodically. AD/NE, AD/IC, and [REDACTED] 25X1A9a  
25X1A9a [REDACTED] (for AD/CI) see no objection.

3. May I have your approval on this as soon as possible?
